We’re Dedicated To Providing Best-In-Class Service And Products

Utilizing our global footprint, Spectrum Plastics Group is your end-to-end resource for tubing, packaging, OEM components, and sub-assemblies.

**Areas of Expertise**
- ✓ Thermoplastic & Silicone Tubing
- ✓ Catheters & Micro-bore Tubing
- ✓ Precision Injection Molding
- ✓ Flexible Medical Packaging
- ✓ OEM Plastic & Silicone Components
- ✓ Assemblies

**Thermoplastic & Silicone Tubing**
- Single/Multi Lumen
- Para Tube
- Sub Ultra-Thin Walls
- Balloon
- Tapered
- Co-Extrusion

**Precision Injection Molding**
- Implantable Surgical Components & Systems
- Insert Molding
- Multi-shot Molding
- Silicone Molding
- Bioabsorbables
- Micromolding

**Flexible Medical Packaging**
- Linear Tear Pouch/Bag
- Printed Film
- Peelable Pouches
- Wicketed Bags
- Sterile Barrier Pouches
- High Barrier Pouches
- Tyvek/Poly Pouches

**Secondary Operations**
- Printing
- Striping
- Coiling
- Skiving
- Hole Punching
- Tip Forming
- Solvent Bonding
- Tube Bending

**OEM Plastic & Silicone Components**
- Clamps
- Luers Female/Male
- Caps Female/Male
- Spikes/Drip Chambers
- Injection Sites/Ports
- Various Others

**Assemblies**
- Solvent/UV Bonding
- Catheter Design & Assembly
- RF/Ultrasonic Welding
- IQ/OQ & PQ Validation
- Sterilization Management
- Regulatory Support/Approvals
